

# Next Generation Tour Rentals

**All  
Season**

Dirt. Grass. Light snow or hard snow, the E-Coaster isn't just for summer, but for safe conditions all year long.

**Made in  
the EU**

E-Coasters are manufactured in the EU using aircraft grade aluminium, precision CNC parts and quality components.

**Perfect  
for groups**

Lean-to-Turn steering offers a ride similar to skiing (with brakes) and adds fun to group tours and events.

## E-Coasters: Electric Off-Road Coasters

Years of successful tours. Hundreds of kilometers. The Electric Coasters are proven tour profit earners. Excellent for team-building, events, and group fun, these 3-wheel coasters allow riders to experience a different tour every time.

### DESIGNED FOR ADVENTURE

- ▶ 3 Power settings to accommodate all rider experience levels and local laws.
- ▶ 2-3 hours of run time and high-torque climbing per 3.5 hour charge.
- ▶ Seat suspension offers a smooth off-road experience.
- ▶ Lean-to-turn steering offers a unique skiing-like ride.

### A TRUE ORIGINAL

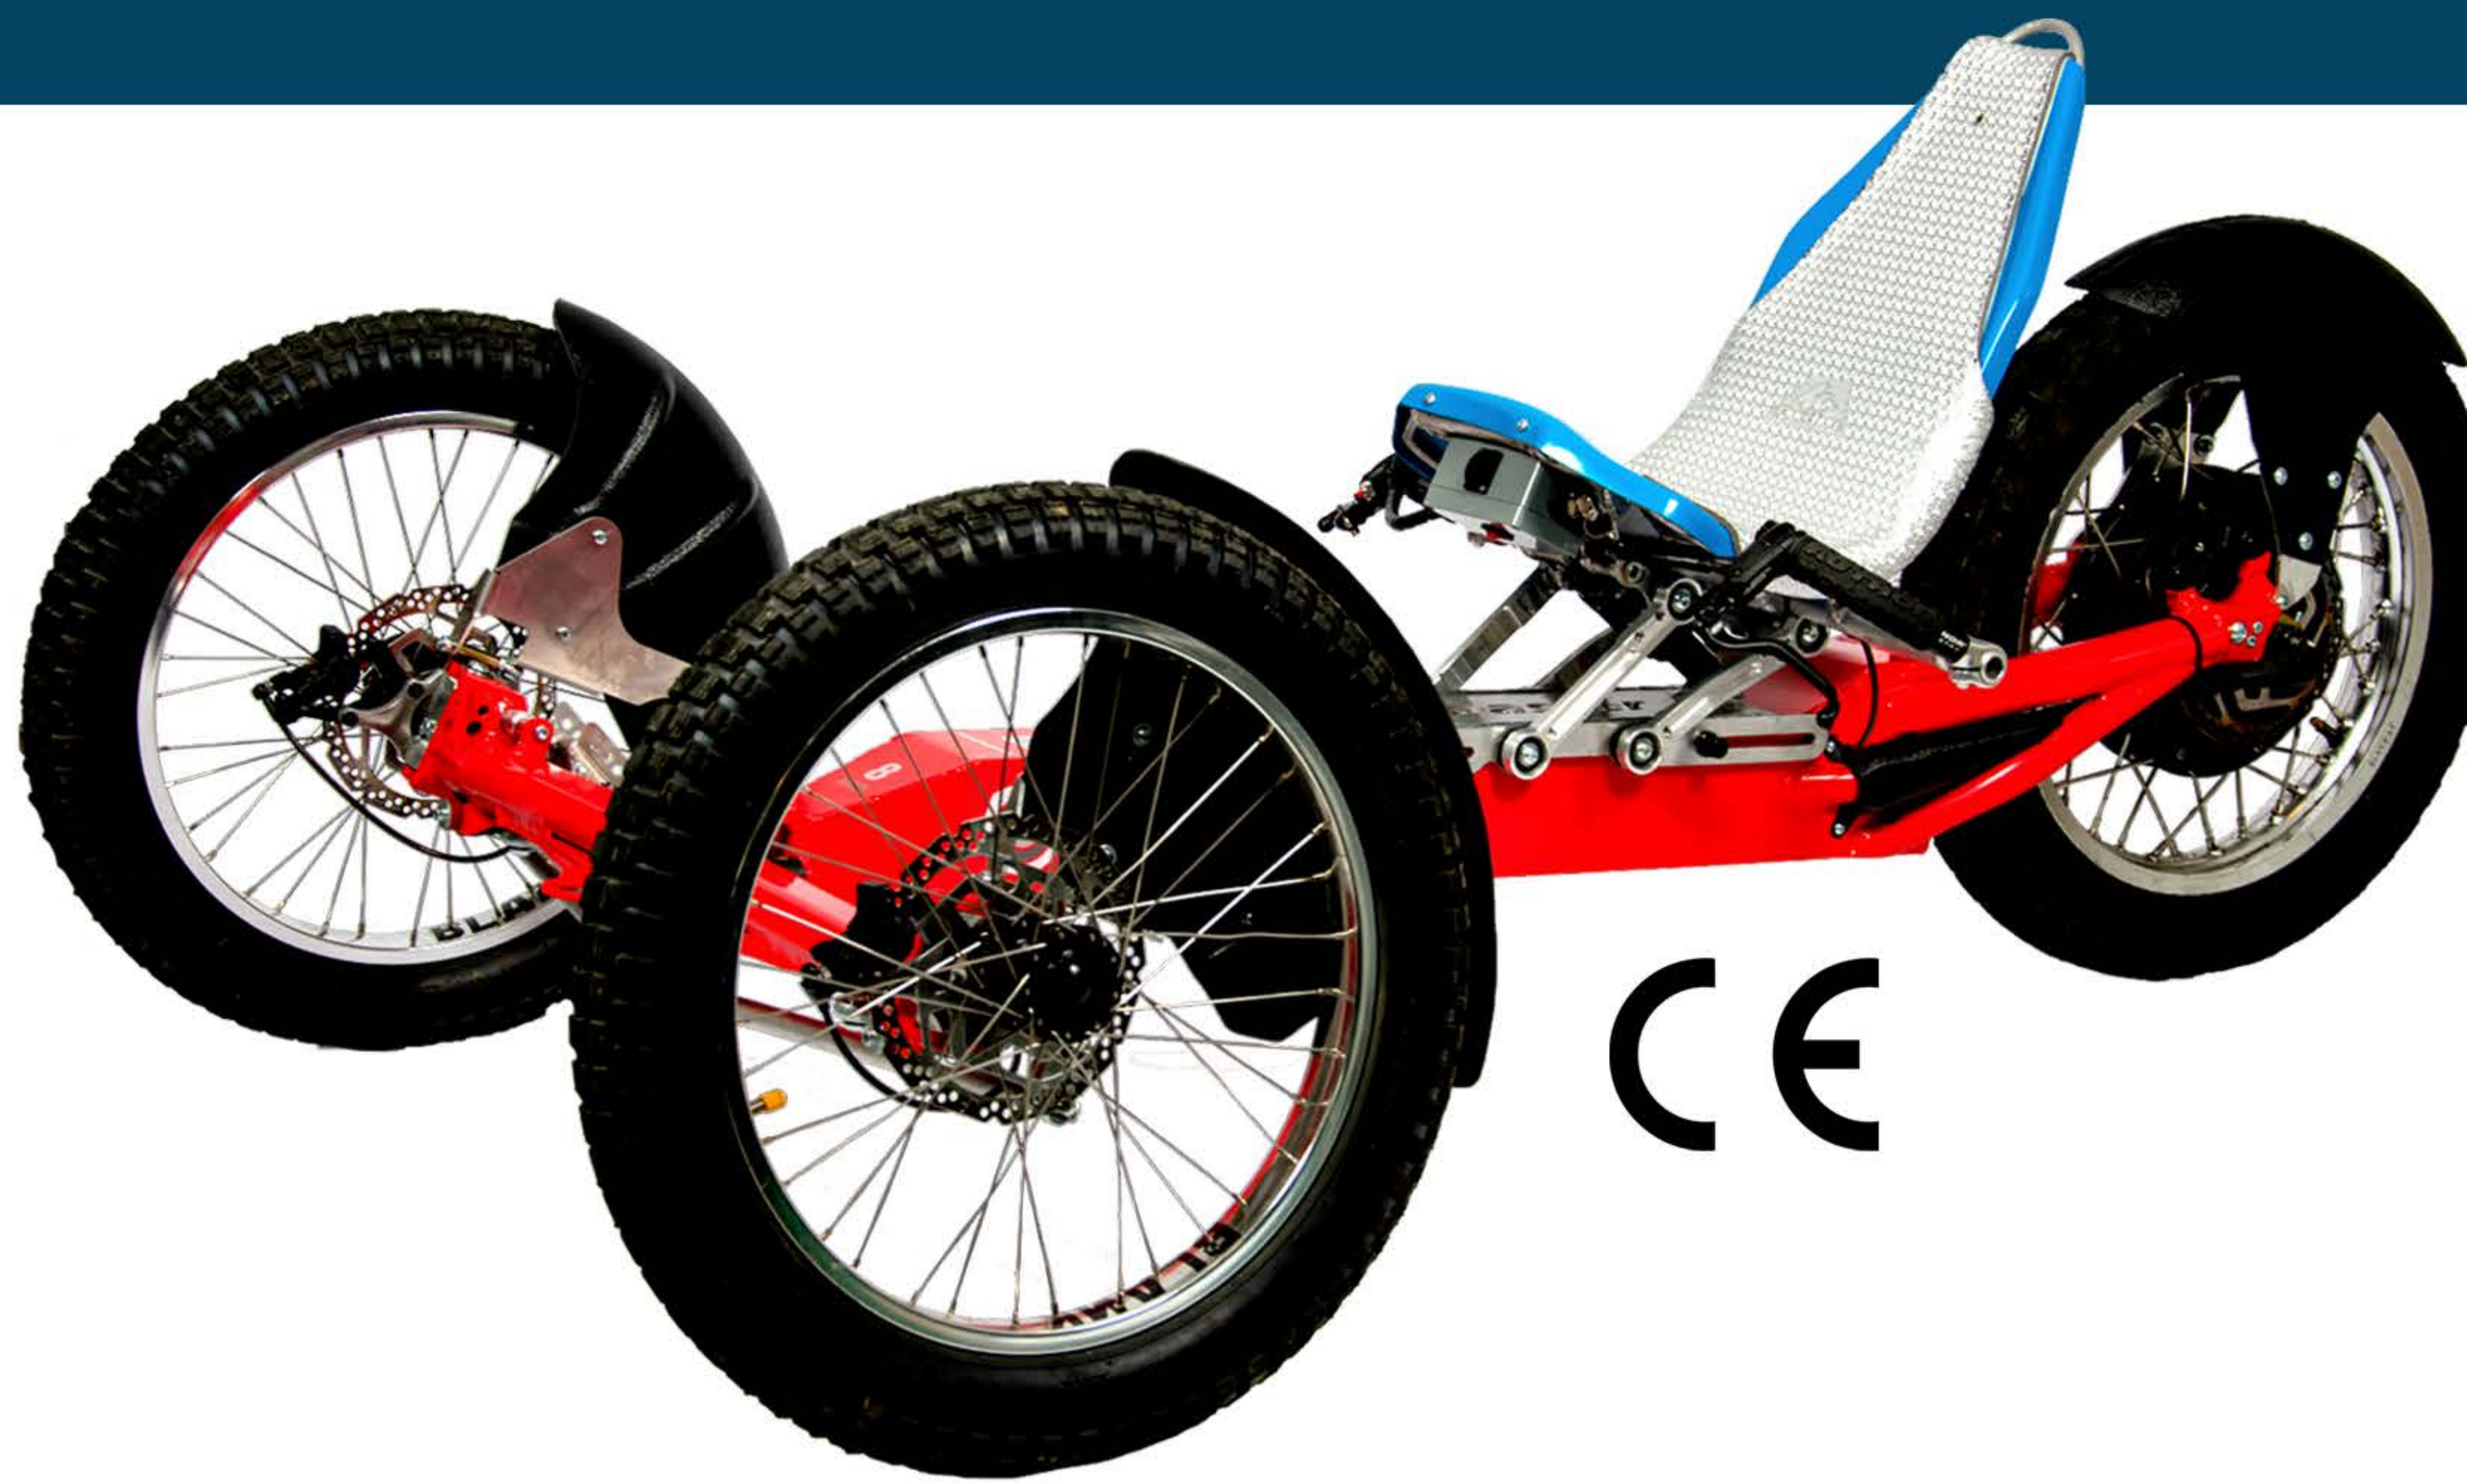

Designed by Jan Karpel, World Cup Downhill skier and famous MTB manufacturer. His bikes have appeared in films (Down, Double Down) documentaries (TLC Next Step), and video games (Playstation Downhill Domination).
